

APPLY FOR GRANTS FOR HOMELESS ORGANISATIONS

Reputable organisations working in the field of homelessness (not necessarily with “Deductible Gift Recipient” status) are welcome to apply for grants from the RED ROSES FOUNDATION.

Particular focus is given to smaller homeless organisations that, due to a lack of resources, have difficulty in raising funds for their homeless initiatives.

Individuals personally experiencing homelessness, can also apply for a RED ROSES FOUNDATION grant (such as for a bond for housing).

All personal grants are subject to the applicant being assessed as a suitable recipient for a grant and on the applicant’s willingness to enter into a mentoring program.

Please read our terms and conditions for grants and then submit the form below:
