

REGISTER A FOUNDATION BAG

Upon receipt of your Foundation Bag, please enter the range of twenty numbers (on the printed tag) in the numbers box below, then click the "Submit your entry in the prize draw" box and you will automatically go in the draw (that is held every three months) for the major prizes that are detailed on the Purchase Form.

You will automatically receive a receipt for your entry - the receipt, and where to check the winning numbers (randomly drawn by computer and announced through the monthly online NEWSLETTER on this website), will be emailed or posted to the postal / email address on the Purchase Form.

The registration of the entries and draw of the prizes is independently administered by a company that specialises in online competitions.

For convenience, an email address is preferred - your email address will not be supplied to any other parties

Thank you - your entry has been received and a receipt will be forwarded.
Sorry, your tag numbers have not been entered correctly - please try again.

Please ensure that any Gift Recipient's details are filled in on the Purchase Form and that the form is posted back to the Foundation to ensure that the Gift Recipient goes into the prize draw - by completing the Gift Recipient Section, the Purchaser authorizes the Foundation to ship any prizes to the Gift Recipient (not to the Purchaser).

All winning entries will be advised and confirmed with the Purchaser / Gift Recipient in writing - the date of purchase (to ensure entry in only one draw), winning numbers, and details of the Purchaser / Gift Recipient, will also be checked on the Purchaser Form before shipping any prizes.
